Dear Deep Cove Elementary Community,

Re: Administration announcement

This past summer Principal Grant Franceschini announced his retirement after a very successful career in the Saanich School District. Grant came to Saanich in 1987 from Peace River School District and taught in many schools in Saanich before starting his administrative career. We wish Grant well and thank him for his extraordinary service to the children and families of Saanich as he settles into his well-deserved new routines.

I am pleased to announce that Mr. Steve MacGregor will continue in his role as Interim Principal at Deep Cove Elementary until the end of this school year ensuring that the community has consistent leadership for the remainder of this school year. I am also pleased to announce that Mrs. Nicole McCron will continue in her role as Interim Vice-Principal for the same time period.

As part of our regular staffing processes, postings for continuing appointments for both Principal and Vice-Principal will be conducted in the spring of 2018.

Congratulations to both Steve and Nicole in their assignments.

Dave Eberwein
Superintendent of Schools
