The amount available for Special Funding Request (SFR) distribution in the 2015/16 school year is $23,000. SFR submissions totaled $39,090.00 and through discussion and vote at the Oct 21 General Meeting, parents and guardians balanced the budget at $23,000.00.

A special thank you to the parents, guardians, faculty and adminstration who submited SFRs to improve our children's school experience. Thank you to those parents who attended the General Meeting to participate in determining how best to allocate the funds.

Please note that we will only have similar funds next year if we are able to put on another successful Christmas Fair. The funds made at this year's Christmas Fair will be put towards supporting next year's SFRs. It is critical that everyone supports by volunteering for, and attending, the Christmas Fair - it directly benefits your child by providing them with educational, extracurricular, play, arts and cultural resources.

Should you have any questions about the SFR process, please don't hesitate to contact any member of your PAC Executive.

Thank you,
Deborah Rogers and Julie Lobb, PAC Co-Presidents.
