## Parent/Guardian Input for Consideration regarding Student Placement

Child's Name:	Grade in 2018/19:
Parent/Guardian Name/s:	
Please share any information that you wish us to consemotional/academic needs.  *Please do not request certain teachers; rather, describe genvironment that you believe will be most conducive to *Please ensure that any comments about other students as	your child's learning style and the classroom his/her learning.

## **Please Note:**

- \*We value your input; at the same time, it is important to understand that staff members often have specific reasons why students are placed in ways that may be different than parents have requested/suggested.
- \*Even slight changes in circumstances can lead to the need for significant changes in school organization, teacher assignments and class lists. Therefore, student placements must be kept tentative and remain confidential until numbers can be confirmed after school opens in September.
