DEEP COVE ELEMENTARY SCHOOL ~ ÉCOLE DEEP COVE

Welcome to our final newsletter of the year…

LOST & FOUND

The Lost & Found is organized and ready for students to come and claim their belongings. Perfect days for parents to check Lost & Found are Fun Day June14, Farewell Assembly June 21st, Year End BBQ June 25.
And of course any day at drop off or pick up.

ALL UNCLAIMED ITEMS in the Lost & Found will be donated on June 26.

DEEP COVE SPIRIT

The movie night was a huge success - we initially thought we'd only get a few kids as it was a beautiful warm night but the gym quickly filled up with lots of kids and parents, not sure how many were there but if the lineup for popcorn was any indication there were many, many kids!
We sold about 130 bags of popcorn! We hope to do another movie night in the fall to welcome our new kindergarten classes.
Thanks to the parents who stayed to tidy up the gym, it was much appreciated and North Saanich Middle School for the loan of the popcorn machine.

June 25 is our Deep Cove BBQ and celebration of 100 years in the community. There will be old fashioned games, soccer and live music.
Please bring your family, a blanket, a chair, **a main dish or salad and a dessert to share on the potluck tables, your own plate, cutlery and drinks. There will be bbqs there and you are encouraged to bring your own meat to grill!!** It'll be relaxing and a lovely way to end the school year.
***** If you are able to lend a BBQ and be able to transport it to and from Deep Cove on the 25th, we need about 5 bbqs, please email Rebekah Hunter asap. We would like to know in the next week or so who is able to volunteer in this way. We appreciate all the support.**

-serving on the day (9-11)
-clean up.

There will be sign-up sheets on the PAC Board outside the office, or you can email Kim Bull-Chambers directly at kimbull@shaw.ca

PARENT INFORMATION NIGHT:

May 15th was our last Parent Information Night for this school year. Heather Stannard from West View Learning spoke about ways to help support your child's learning. She talked about raising confident children, how to understand brain development and how gender plays a part in our learning environment. Unfortunately it was not well attended. I will be looking for ways in which to change the way the information nights are delivered in order to increase participation. If you have any feedback or suggestions, I would appreciate it.

DEEP COVE DANCE

Everyone who attended the spectacular evening of dance arranged by Annette Martens and performed by children form throughout Deep Cove was very impressed by the dedication, skill and enthusiasm demonstrated. What a great example of the school community joining together. Thank you Annette and all the other staff and parents involved in this special event

THRIFTY'S CARDS

We have currently raised $2100 through the Thrifty Food's Smile card program. That means that there is still $300 available to us through loading up your cards before June 30th. This program is a great was to fundraise for the school, and don't forget your cards will be valid next year so keep them handy!
