Student mentoring for reading has been proven to be effective and helps language skills. CPF are delighted to offer such an event: **Bonjour/Bonne Nuit**. To reserve your child's place, please send an email to Tara Keeping as soon as possible. We need to know approximate numbers in order to secure enough senior students for the event! Places are limited.

Deep Cove Students, after school, change into your pyjamas (optional) and spend some time playing French games and having a snack. Parents please alert us to any allergies. Then listen to French stories read by French Immersion students from Grade 5. Children will read with older students in the small gym and parents can mingle in the staffroom or use the late pick up as special "me-time" and then arrange collection at 4.00 pm!

Merci ! Thank you! CPF Saanich.
