---

Welcome back. It has been a pleasure to see student faces engaged in learning as they settle back into class and school routines. We acknowledge that this has been a challenging time for everyone and express our sincere gratitude for all of the support that students and families have shared over the past weeks.

The following offers some key pieces of information/adjustments for the coming weeks:

- Report Cards - report cards will go out to families between December 16- 19.
- The professional development day scheduled for this Friday will be rescheduled. As soon as the Board approves the new date we will get that information out. It will not be scheduled prior to the Winter break.
- **November 26 - Picture Retakes**
- Dec 12 and 13 - Circus - once the schedule is finalised families are invited to pop in to see the acrobats/clowns in action
- Message from PAC:
  - Hot lunch Cancelled this month - For a variety of reasons (ordering logistics, vendors being negatively affected) Hot Lunch has been cancelled this month. Parents who already pre-ordered for November will have a credit on their account for the next hot lunch. If some parents have ordered for the whole year they can either use their credit to add on to another order or come the end of the year we can reimburse them. Our next hot lunch is December 16th.
- Christmas Fair - the Fair will go on as planned (Thank you Kara Westgate and Jody Kary)!!! This is an exceptional event so please consider volunteering for a shift below - it helps to support many "extra" initiatives at Deep Cove. Please note: Raffle tickets will be sent out this week, donations for the silent auction can be brought to the office, books and games (no household items) to the stage. Bake sale and cake walk items accepted the morning of the 6th. Volunteer spots open now <https://bit.ly/2K126gO>.

Our next few weeks will focus on maximizing student learning and re-establishing important routines and expectations. If you have any further questions or concerns please contact us at the school. Thank you all for your patience and we look forward to some fun, productive weeks ahead.
