School Supplies:

For the past several years, Deep Cove School Staff have offered the opportunity for parents to leave the School Supply shopping to them! We would like to continue to offer this opportunity for the 2020-2021 school year. For \$35, your child will receive all of their classroom supplies for the year. This would include pencils, paper, exercise books, pens, scrapbooks, felts, crayons, etc. Families would continue to provide indoor runners and back packs.

There are multiple advantages to this system with the biggest one being cost saving. Savings are found by buying only supplies that will be used in each individual class, buying certain supplies in bulk, and buying fewer supplies where possible (e.g. 10 sets of pastels for a class rather than 1 set per child). Teachers will do all of the purchasing and in some instances will recognize further savings by accessing pricing for educators. Considerations for safe sharing of supplies will be made based on current safety procedures.

If you are interested in participating in this opportunity you have two options:

**Option #1** - Send a cheque for **\$35 addressed to Deep Cove PAC**. **Please write your child's complete name in the 'Memo' portion** of the cheque. If you have more than one child at the school please **write all of their names** if using the same cheque to pay for them all. Please submit your payment either to your child's classroom teacher or to the office (if currently not attending school in person) by **Friday, June 19th**.

**Option #2** - The second option is to e-transfer \$35 to [Deepcovepacpay@gmail.com](mailto:Deepcovepacpay@gmail.com) (no password required) with your child's name in the message portion. Follow the instructions to make your payment.

\*\* Please note that due to the current safety protocols we are unable to accept cash.

Please know that this is simply an opportunity for your family. You are able to access the supply lists for next year off the Deep Cove Website (they will be available by June 19) if you would prefer to purchase supplies independently.

If supply purchase presents a financial hardship to your family please discreetly inform either your child's classroom teacher, Mrs. Kaercher, Mrs. Durand or Mr. MacGregor and the fee will be covered from school funds.

Best regards,  
Shelley Hardcastle, Steve MacGregor and Mary Kaercher
