

Reminder

Hi everyone! Please note that the PAC Annual General Meeting is being held tonight (Wednesday Feb 18th) at 7pm. We know that meetings aren't always everyone's first choice of how to spend an evening. But if there is only one meeting that you attend...this is a great choice! Two really important things happen tonight that you get to participate in.

1. **Vote on the annual budget:** We have a significant budget that has a direct impact on your child's school experience. Funds from this budget are allocated to support arts, school events, technology, learning resources, field trips and more!
2. **Vote in your new PAC Executive:** Every parent and guardian is a member of the PAC. However the PAC Executive is an elite team of amazing folks who support the PAC by keeping things on track. In addition to voting on the Executive, we will also be voting in the *School Planning Council Representatives* who support the school in its annual planning, ensuring that parents are represented at the table.

We encourage you to join us tonight to ensure you are involved in the discussion and have an opportunity to vote on these important topics. It's also a great way to learn about what's going on at the school and get to know other parents, faculty and administration.

See you tonight!
