

# **Earth Week:**

**News and Information**

*Did you know??*

**That the world's oceans  
will have more plastic  
than fish by 2050?**

-EcoSurf-Brasil

**Would you like to help decrease the  
amount of single use plastic in the  
world?**

Two businesses can help with this:

1. Pacific Mobile Recycling:

[www.pmdrecycling.com](http://www.pmdrecycling.com)

\*Every 4th Saturday of the month between 9-12 pm you can drop off soft plastics, styrofoam and other plastic items at Stelly's Secondary

\* 20% of the proceeds goes back to Stelly's school

## 2. [www.refuse.ca](http://www.refuse.ca)

**\*refuse recycling resource company will pick up within the Saanich Peninsula.**
