

Silent Auction Information Letter

We place a significant priority on the silent auction in an effort to ensure that parents are not called upon to provide funds or volunteer their time several times over the course of the year. Donations are collected from the business community, school parents, and teachers. We are asking our Deep Cove families to kindly & generously donate a gift certificate or merchandise from your businesses, workplaces, or personal interests to the silent auction.

All donations can be left safely in Principal's office, as soon as possible and **before November 24th** please. When bringing in a donation please attach your **name, mailing address, and donation value.**

Thank you & Merci!

Christmas Fair Committee

Questions? Reach us at deepcovefair@gmail.com

Please review the following list of donation suggestions for inspiration:
