

# ATTENTION ALL PARENTS

## Re: Special Funding Requests

Please be advised the *Special Funding Request* portion of our Oct 17/12 PAC General Meeting was postponed due to time constraints\*. New date: **Wednesday, November 7/12.**

### Important Notes re Special Funding Requests:

#### The Process:

- 1) Parents and staff can make *Special Funding Requests* by submitting a form to the office by a deadline, requesting funds for equipment, supplies, and learning experiences.
- 2) The PAC has a \$30,000 budget to allocate to *Special Funding Requests*.
- 3) The PAC Executive reviews the requests and makes a recommended list for all parents to review.
- 4) All parents & guardians are invited to attend a General Meeting to review the recommended list together, discuss and vote on each request.

Every parent/guardian is a member of the PAC and has valuable and welcomed input regarding the allocation of PAC raised funds for *Special Funding Requests*. The PAC Executive encourages everyone to attend this important meeting.

If you have any questions prior to the meeting about any of the Special Funding Requests, which are posted on the PAC Board outside the office, please contact any PAC Executive member. Our emails and phone numbers are on PAC Board across from the office or on the PAC website.

\* In an effort to increase attendance at the meeting on October 17/12, Special Funding Requests and Parent Education "Multi-Age Classroom" speakers were scheduled on the same night.
