

School Supply Information 2021

Dear Parents/Guardians

For the past several years, Deep Cove School Staff have offered the opportunity for parents to leave the School Supply shopping to them! We would like to continue to offer this opportunity for the 2021-2022 school year. For \$35, your child will receive all of their classroom supplies for the year. This would include pencils, paper, exercise books, pens, scrapbooks, felts, crayons, etc. *Families would continue to provide indoor runners and back packs.*

The classroom teachers will be collecting school supply money the first couple weeks of September. More information on how to pay will be provided in the fall.

Please know that this is simply an opportunity for your family. You are able to access the supply lists for next year off the Deep Cove Website if you would prefer to purchase supplies independently. If supply purchase presents a financial hardship to your family please discreetly inform either your child's classroom teacher, Mrs. Kaercher, Mrs. Durand or Mrs. Hardcastle and the fee will be covered from school funds.

Respectfully,

Shelley Hardcastle
Principal
